Billie Chan

Financial Controller at Linde
Munich

Summary

Financial controller with a demonstrated history in data analytics and digitalization

Experience

Linde
3 years 6 months

EMEA Financial Controller
June 2020 - Present (5 months)
Munich, Bavaria, Germany

- Managing monthly reporting and planning topics in EMEA
- Supporting the EMEA regions and countries in their finance processes
- Acting as intermediary between EMEA and US Corporate

Data Scientist
2018 - May 2020 (2 years)
Munich, Bavaria, Germany

- Located within the Global Financial & Business Analytics team, acting as domain expert and solution provider to the core business throughout the analytical value chain – from data mining, data modeling, and process setup in SQL and R, to interactive visualization and story-telling in Tableau
- Projects: Financial Flash Forecasting Tool with Predictive Analytics, Financial Budgeting Tool, Financial Quarterly Variance Analysis Tool, CAPEX Analysis Tool, Customer/Product Profitability Analysis Tool, Automatic Documentation Tool for SAP HANA, Integrated Tableau Input Solution

EMEA Financial Controlling Intern
May 2017 - 2018 (1 year)
Munich, Bavaria, Germany

- Managed complex corporate data sources using Excel Power Query and participated in the planning, budgeting and reporting process
- Drove the EMEA Finance Tableau data visualization project and won senior management approval for compelling results

- Automated several core monthly processes with Python and the RPA software UiPath and created competitive intelligence dashboards with NLP and machine learning techniques

E.ON
HR Analytics Intern
May 2016 - January 2017 (9 months)
Berlin Area, Germany

- Assisted the management in delivering HR Shared Services to six countries, and worked on a range of reporting topics with innovative analytics solutions (VBA, Power BI)
- Organized efforts for the Health & Safety topic together with the managing director, addressed compliance challenges and defined best practices

Fuse
Co Founder
September 2015 - March 2016 (7 months)
Berlin Area, Germany

- Left college to co-found (and failed) a 4-man FinTech startup centered around the ChatBot concept
- Drafted the pitchbook, oversaw prototyping, and networked extensively with seed investors and fellow startuppers

Bund Education Ltd.
Co Founder
June 2015 - March 2016 (10 months)
Shanghai City, China

- Co-founded a 2-man education startup in central Shanghai in an effort to raise fund for further studies
- Attained more than 20,000 EUR margin within the first two months

New Channel International Education Group
SAT Instructor
June 2015 - June 2015 (1 month)
Shanghai City, China

- Briefly worked as an SAT instructor (focusing on the Critical Reading section) at a renowned education establishment in Shanghai

Education

Jacobs University Bremen

Bachelor's degree, Economics · (2014 - 2018)
